Over 35 years ago, two brothers came to the United States with dreams of a better life for their families. In 1976, the Grammas brothers opened their first restaurant. They were determined to make the best pizza. Cooked in a brick oven, using fresh cut vegetables, handmade dough, and the finest meats and cheeses available; the two brothers came up with a unique recipe for pizza, the same recipe used today in 10 stores and 2 states.
